A little about St. Mary School

St. Mary School was founded in the mid-1800s, by the Sisters of Mercy in New Jersey. St. Mary's has served the Bordentown community for over three centuries. In the fall of 2000, the sisters retired from their duties at the school but not before instilling in their predecessors the Mercy tradition of a loving, caring environment, rich in spiritual and academic values. The building that still houses St. Mary School was erected in 1888. St. Mary School continues to serve Bordentown and the surrounding communities in the new millennium under the spiritual guidance of our Pastor, Father Michael Burns and the academic guidance of its staff and principal, Dr. Francis McAneny.

The Philosophy . .

As a Catholic School in the Diocese of Trenton, St. Mary's is committed to the development of each individual student in a Christ centered environment. Together with our families, we share the awesome responsibility for the total education of our students. Our school is strongly committed to academic excellence and by emphasizing excellence we hope to encourage all students to reach their God given potential seeing the value of justice, peace, and service as is clearly set forth in the Gospel message. St. Mary School is part of a faith filled parish community and our students are encourage to actively serve their church, school, and parish community.

Our Mission . .

The mission of St. Mary Catholic School is to encourage students to do their best, respect all people and to put their faith into action through a challenging academic curriculum and spiritual formation.
