All event proceeds are for the restoration and maintenance of the Hopper-Goetschius House Museum. The Upper Saddle River Historical Society is supported exclusively by the generosity of the local community; no tax dollars are provided to us. The Society was organized in 1977 as a 501(c)(3) non-profit to collect, preserve, and distribute the history of the Upper Saddle River area. The Society manages and restores the Museum and grounds, in addition to hosting a number of community events throughout the year.
